

# California Wildlife

Think about what you already know about the animals in each group.  
Then draw a circle around the animal that does **NOT** belong in each row.

**California Quail**

**Eagle**

**Fence Lizard**

**Red-winged Blackbird**

**Brush Rabbit**

**Sea Star**

**Gray Squirrel**

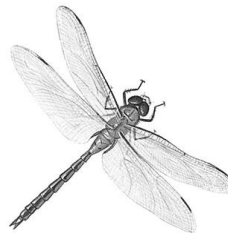

**American Beaver**

**Monarch Butterfly**

**Rattlesnake**

**Dragonfly**

**Ant**

# California Wildlife

Scientists place animals into groups to help them gather information about what different types of animals have in common. Three of those groups are mammals, reptiles, and birds. Mammals are animals with fur. Reptiles are animals with scales. Birds are animals with feathers.

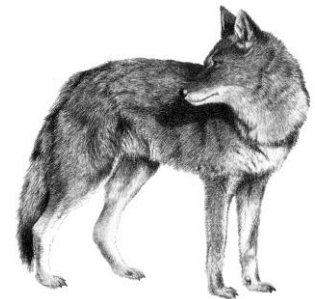

**Place a circle around the MAMMALS.**  
**Place a square around the REPTILES.**  
**Place a triangle around the BIRDS.**

**Killdeer**

**Fence Lizard**

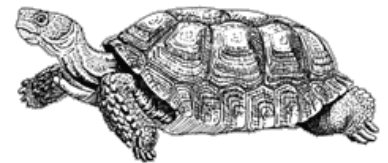

**Coyote**

**Striped Skunk**

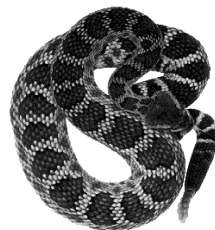

**Raccoon**

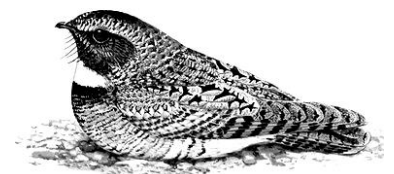

**Desert Tortoise**

**Snowy Egret**

**Snake**

**Poorwill**
