

Going Green!

Be a NATURE SUPER HERO!!

Read the following problems and for each one think of a solution to help.

Six-pack rings can get stuck around a wild animal's head and cause a lot of damage. What can you do to help?

As a **Nature Super Hero**, I can -----

Sea Turtles may mistake a floating plastic bag for a jellyfish, one of their favorite foods. Eating the bag can make the sea turtle very sick. What can you do to help?

As a **Nature Super Hero**, I can -----

The Northern Spotted Owl's home is in redwood forests. Many redwood trees are being cut down by people. The loss of their habitat has made the Northern Spotted Owl endangered. What can you do to help?

As a **Nature Super Hero**, I can -----
