

Going Green!

Reduce means we do not make as much trash by using less of harmful trash items. **Reuse** means we use something many times, not just one time. **Recycle** means using the product to make a whole new item!

Draw an **X** through the items you would want to **REDUCE**.

Draw a **SQUARE** around items you think you could **REUSE** again and again.

Draw a **TRIANGLE** around items you would **RECYCLE**.

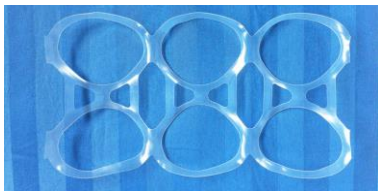

Cardboard Box

Plastic Bag

Paper

Six Pack Rings

Soda Cans

Plastic Utensils

Tupperware

Cloth Bag

Plastic Bottles

Are there any items left for trash?
