

BEWARE!

YOUR HALLOWEEN DECORATIONS

Photo by Dave Stapp, Marin Humane Society

MAY BE HAZARDOUS TO WILDLIFE!

Any decorations, like fake spider webbing, that dangle, hang or wrap can entangle wild animals like this Screech Owl!

Please consider wildlife safety when decorating your home for the holiday, and remember to properly dispose of Halloween candy, pumpkins and other edibles to prevent unwanted wildlife visitors.

Learn more at discoverwildcare.org or call WildCare's Living with Wildlife Hotline at 415-456-SAVE (7283)
