

Jr. Volunteer Wrap-Up Questions (Clean-Up)

1. Tell us about what your project experience was like (How did you go about organizing the clean-up? Where was it held? Where did you hang your flyers? How many people participated?):

2. Identify three items that you trash items that you collected, and how each item could be potentially harmful to local wildlife.

3. What do you feel proud of about your project? Be specific!

4. What was one challenge or difficulty that you had during your clean-up? Were you able to overcome this challenge?
