

# Marvelous Mammals!

Mammals have many adaptations that help them survive in their habitat. Below are some mammal traits that have been adapted to the habitat the animal lives within.

## Ears!

## Noses!

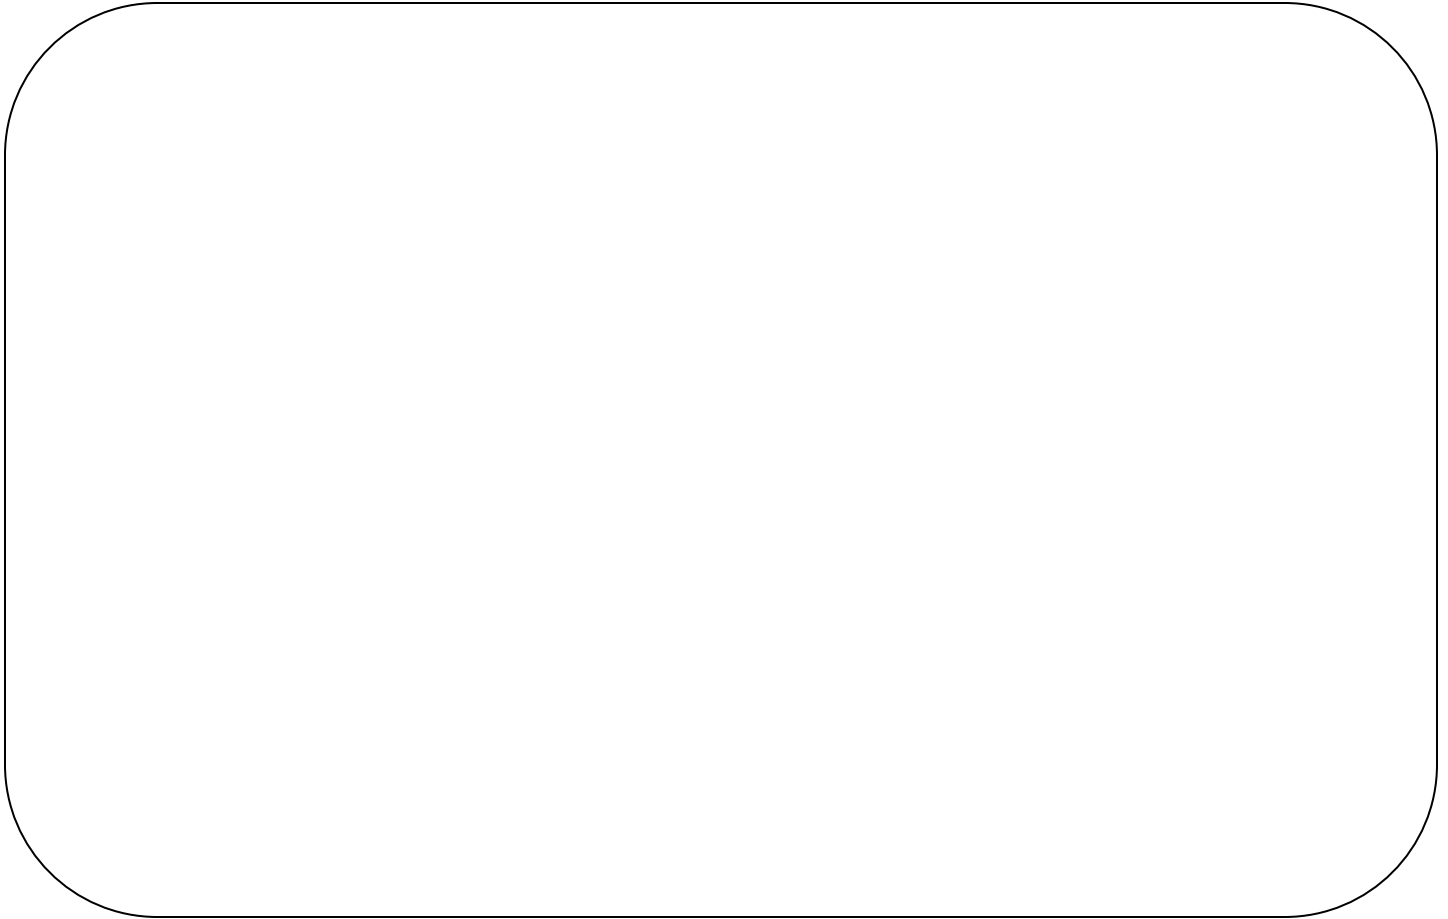

## Limbs!

## Tails!

# Now Create Your Own Mammal!

**Name your animal!** \_\_\_\_\_

**What habitat does your animal live in?** \_\_\_\_\_

**What adaptations does your animal have to help it live in its habitat?**
