

Please read the following
contest rules carefully.

Thank you for entering!

Living with Wildlife Photography Contest

Official Rules

*** Please note:***

By submitting your photograph to WildCare's Living with Wildlife Photography Contest you give WildCare permission to use the image as desired including but not limited to publication in newsletters, flyers, publicity and fundraisers, including the sale of prints and cards featuring the image.

Entry Categories:

- **California Wild Birds in Their Natural Settings**
 - Only photographs of wild birds that live naturally in the state of California are eligible. Photographs with a main subject of domestic animals such as pets or farm animals and photographs of zoo animals will not be accepted.
Contact Alison at alisonhermance@discoverwildcare.org or 415-453-1000 x24 if you have questions about the eligibility of your photograph.
 - Only photos of birds may be entered in this category.
 - Only photographs taken in the state of California are eligible for entry.
- **California Wild Animals (Other) (mammals, reptiles, insects etc.) in Their Natural Settings**
 - Only photographs of wild animals that live naturally in California are eligible. Photographs with a main subject of domestic animals such as pets or farm animals and photographs of zoo animals will not be accepted.
Contact Alison at alisonhermance@discoverwildcare.org or 415-453-1000 x24 if you have questions about the eligibility of your photograph.
 - Photos of mammals, reptiles, amphibians, insects etc. may be entered in this category.
 - Only photographs taken in California are eligible for entry.
- **General Nature (plants, geology, natural phenomena, landscapes etc.)**
 - Only photographs taken in California are eligible for entry.
- **Living with Wildlife (animals in human environments or contexts)**
 - The best entries in this category illustrate wild animal(s) interacting or conflicting in some way with people, our domestic animals or human-made objects, property etc.
 - A California wild animal (or animals) must be the subject of the photograph, although people, buildings etc. may be in the image.
 - No animal may be harmed, deliberately captured or otherwise compromised in the taking of the photograph. Any photographs of animals in captivity, rehabilitation or other "controlled" circumstance must include a brief description of the circumstance in which the photo was taken. Please include this information on the back side of the entry form or in the notes section of the online form.
 - Only photographs taken in California are eligible for entry.

Prizes

Prizes will be given for the best photograph in the show and for the best photograph in each category.

The photograph judged Best in Show will win \$500 and will be featured in WildCare's Newsletter. The Best in Category winners will be printed in the newsletter.

The judged top five photographs in each category will be entered into an online contest for the People's Choice Award for which an additional prize will be awarded.

Additional Rules and Guidelines

Photos must be the property of the entrant and must not have been digitally altered. Basic development procedures like cropping, lightening and darkening are allowed.

WildCare employees and their families, professional photographers (defined as people who make more than 50% of their living from photography), contest judges and families of contest judges are not eligible.

WildCare **volunteers** and their families **are** eligible to enter.

Entry fees are \$15 for each photograph submitted. If the required entry fees are not submitted for your entry/entries, your photograph(s) will not be entered in the contest. Online submissions are \$20 which includes the \$15 entry fee and \$5 for printing the required high-resolution proof of the photo.

Please complete a separate entry form for each photo submitted. Please note the subject of each photograph and the location where it was taken on the form, and list the full names and telephone numbers of any people present in the photo in the notes section on the online form, or on the back of the printed form. Please do not tape or staple entry forms to prints/proofs.

You may enter as many photos as you wish. All entries must be accompanied by a completed entry form and the required entry fees stated above. One check/credit card/online payment for all entries is preferred.

Photos must have some aspect of California nature as the main subject. People or structures may be in the picture, but the main focus of the photo should be nature-related. Photos deemed as not having a main subject of nature will not be judged. WildCare reserves the right to re-categorize submitted photos.

Animals must not be compromised in any way to get a photo. When an animal's behavior changes because of your presence, you are disturbing it. Responsible wildlife photographers watch for changes in animals' behavior to avoid disturbing them. It is against the law to harass wildlife-- this includes intentionally or accidentally causing an animal to flush, or startling or spooking an animal.

Any photograph that results in the admission of an animal to WildCare will be disqualified and the entry fee put directly toward the animal's care.

Only photographs taken in the state of California are eligible in all categories. The photographer does not need to be a resident of California, but the photo must have been taken in California.

There is no time limit on photographs (i.e. they do not have to have been taken in 2020 - 2021).

Previously published material may be entered; however, please include information on when and where the photo appeared.

Color or black and white prints, digital images and slides will be accepted. All entries must include a high-resolution printed proof for judging. You may print and mail your own proof, or submit your entries online. A \$5 additional fee is charged for online submissions, which covers the cost of a high-resolution printed proof. **Photos must not be matted or in frames.**

A photo may be submitted as:

- a) a digital file of minimum size 2MB (300 dpi at 8" x 10") in JPEG, TIFF or EPS format. JPEGs are preferred. The online submission process for digital files includes a \$5 fee for printing a high resolution proof of the photo.
- b) an 8" x 10" 8" x 12" professionally printed glossy or matte printed photo suitable for scanning, or
- c) a slide (with an 8" x 10" or 8" x 12" ink-jet proof). **All submitted photos must also have prints/proofs. Prints/proofs must measure approximately 8" x 10" (prints on 8½" x 11" paper are fine) or 8" x 12". Larger photos/prints will not be accepted.**
- d) an approximately 8" x 10" (or 8" x 12") home ink-jet printed photo proof accompanied by a high resolution digital image (minimum 300dpi at 8" x 10") in JPEG, TIFF or EPS format. Please include a CD or flash drive of your image(s) with your entry form if not entering online, or email your files to alison@discoverwildcare.org. **All submitted prints must measure approximately 8" x 10" or 8" x 12" (prints on 8½"x 11" paper are fine). Larger photos/prints will not be accepted.**

Be sure to include a full-size digital version of your photo(s). The judges will have access to all digital versions.

Please note: All submitted entries must be high resolution (minimum 300 dpi at 8" x 10", 2MB minimum). Photographs that are blurry or indistinct at 8" x 10" will not be suitable for publishing in print. Unless submitting a digital photo online or a professionally printed photo suitable for scanning, please submit both a reasonably high-resolution ink-jet proof and high-resolution digital version of your photograph.

Photos in mats or frames will not be accepted.

Digital submissions without printed proofs will NOT be judged. The online entry cost of \$20 includes a \$5 fee for the printing of a high-resolution print of the photo.

Any submitted photographs may be displayed on WildCare or our sponsors' websites or in promotional materials. WildCare retains the right to use photos for promotional purposes without compensation to the photographer, but will credit the photographer. In addition, WildCare, at its discretion, retains the right to provide photos to outside organizations that wish to publish or display them. In this instance, WildCare will require that the photos appear with credit to the photographer and to WildCare.

Entries must be postmarked or received by midnight on **Friday, September 24, 2021**. Late entries will not be accepted.

A panel of judges will choose a Best in Show winner and Best in Category winners in each of the entry categories. Winning photos will be judged on the following:

1. Suitability of subject matter.
2. Lighting, composition and technical quality.

Once judging has been completed, the judged best five photographs in each category will be entered for online People's Choice voting. The photograph that receives the most votes through an online survey will win the prize for People's Choice.

A reception and photo exhibition may be arranged after the contest at a location to be announced.

All proceeds from contest entries go to support WildCare's programs in wildlife rehabilitation and nature education.

You may enter using our online form and payment process at www.discoverwildcare.org/photo or you may print your own print/proof and mail or deliver it to WildCare at 76 Albert Park Lane, San Rafael 94901.

Please make checks or money orders for entry fees to "WildCare" and write "Photo Contest" in the memo field. Please do not send cash. Pay by credit card by filling out card number and expiration date on the entry form or using the online form. One check/credit card/online payment for multiple entries by the same photographer is preferred.
